

## **Housing Advisory Commission Minutes**

**January 28, 2011**

Present: Reg Rockefeller, Cindy Jerome, Greg Brown, Don Munson, Andrew MacFarland

Andrew agreed to take minutes. We agreed to ask Elizabeth to take minutes of future meetings.

The group established a tentative meeting schedule for the next three months: February 25, Mar. 25, and April 29. Greg will poll the group to insure we'll have a quorum.

Greg reported on an upcoming workshop for Dummerston town committee members in late March. WRC staff will present.

After discussion it was agreed to consolidate the draft survey distributed by Greg to one two-sided page and request it be an insert in Dummerston Views. Cindy agreed to draft a consolidated version for review by the committee.

Greg reviewed the Rte5/Rte 30 corridor committee work to date and suggested the HAC formally convey the commissions work on housing as it relates to the corridors. His offer to pull together the existing information for the HAC to review was gratefully accepted.

Reggie communicated that John Nopper has expressed a willingness to meet with the Dummerston HAC to review and discuss Valley Cares plans for the Putney Inn site. All agreed it's a good idea and Reggie agreed to try to come up with some dates.

Respectfully submitted

Andrew
