4. Town Plan Update

I. Flood Resilience chapter

Discussion of document John Bennett gave us. We'll ask John to shorten it according to the notes we made. Sam will give draft to John.

Goal: To foster the protection and restoration of river corridors, floodplains, wetlands, and upland forested areas that attenuate and moderate flooding and fluvial erosion.

Goal: Flood emergency preparedness and response planning are encouraged.

Policy: We'll include Action steps - first sentence of #4 and all of #6.

II. Land Use Chapter

Discussion of the Land use chapter and how the Town Plan needs reflect our current situation.

We will ask John to update the demographic facts about Dummerston.
