

Dummerston Cemetery Committee Minutes

1 April 2026

Present: Priscilla Adler, Lee Chamberlin, Eliza Greenhoe-Bergh, Cheryl Wilfong
Sue Miller from the Dummerston Center Cemetery Association.

Priscilla called the meeting to order at 11:04.

Eliza moved to accept the minutes of the previous meeting. Priscilla seconded.

Re: the Dummerston website

Sue Miller says the section on the Cemetery Committee is outdated.

Lori says it has been updated.

Dummerston Center Cemetery uses gravedigger Rodney Bell.

He has astroturf and the straps for lowering the casket.

His backhoe has a jackhammer for winter burials.

All green burials will be at the top of the Dummerston Center cemetery.

Reviewing the draft regulations, we decided no more than 3 cremains over a vault.

The buyers of a plot receive a certificate. NOT a deed.

Priscilla will follow up on flag holders for veterans.

The Town sets the corner stones.

The Town does not dig graves. Grave digger costs are separate.

We tabled discussion about Brookside Excavating and other grave repair.

Cheryl will table at the Dummerston Senior Lunch on April 22--the day before the April 23 informational meeting at the Community Center.

The meeting adjourned at 12:05.

Respectfully submitted,

Cheryl Wilfong
