The cemetery committee takes responsibility for setting the corner stones correctly
Funds from the sale of the plot will cover any costs for setting cornerstones.

We reviewed regulations and made changes suggested at the Selectboard Meeting by
Selectperson Terry Chapman.

We need to keep a record and map which are green burials in order maintain them.

Shall we create a fact sheet / checklist for buyers?

With effective date of rules

Note that a plot can be inherited or is property during a divorce.

We will do later this summer

Shall we have a gravestone cleaning party?

To recruit new committee members

Kevin Ryan has done gravestone cleaning.

Cheryl will research how other towns (Guilford, Westminster) have done this.

Next meeting. Wednesday July 8 12:30PM

We adjourned at 10:30AM.

Respectfully submitted,

Cheryl Wilfong, Secretary
