

Lydia Taft Pratt Library Trustee  
SPECIAL MEETING

Meeting April 9, 2015

Present: Dave Patriquin, Karen LaRue, Sue Kern, Barbara Clark, Lori Miller, Janet Avery and an invited visitor: Bill Menezes

This meeting was called because our Geranium Festival time is getting very close and action needs to be taken. Therefore, we dispensed with the reading of our last regular meeting of March 26, 2015 in the interest of time. They will be read at our next regular meeting.

Dave and Sue cannot attend the Festival so we need to find some additional help for the day before and the day of the Festival. The hours of the Festival will be 10:00 to 3:00 May 16<sup>th</sup>.

Dave has not been able to get in touch with the Walker Farm regarding geraniums. He will keep trying. Lori told us that Jean Momaney has reserved the back room for us for the 25<sup>th</sup> and 26<sup>th</sup> and will make coffee and have donuts for the workers. Barb has room in her garage to store books as they come in for donation to the sale. John Pinkney will advertise for books and will help set up but cannot be there for the day. Lori will help Carol Haney and Sam Farwell who will run the hamburgers and franks for sale. Bill offered to get the cheese for the hamburgers. Janet will get in touch with Ginny Carter to see if we can use her trailer again this year to display the geraniums. Bill gave us helpful information regarding the Silent Auction. He has names of businesses who have contributed toward this in the past and the trustees will each make calls to line up items for the auction. He will also send a template to use for bidding sheet for the silent auction. Lori will also ask Melissa if she can help us with the silent auction. Dave will ask Tom Zopf if he could design a small sign that would be placed in various places to advertise the Festival. Janet will get in touch with the school to try to find some extra help for the day. She will also ask the church to borrow their money boxes used at their Apple Pie Festival.
