Members Present: Tom Bodett , Steve Glabach, Zeke Goodband, Bill Holiday, Lewis White

Also Present: Pam McFadden and Mike Faher from the *Brattleboro Reformer*.

Tom presented to the Board an update on the Covered Bridge wing wall project. Briefly, the contractor who was awarded the bid at the June 13, 2012 meeting, has not been pre-qualified with the State to do the specific work on the Covered Bridge. The contractor is in the process of qualifying for the State. The Board will need to resubmit construction bids for the project and publish the bids in the Reformer for three consecutive weeks.. The entire project will now be delayed approximately four to six (4-6) weeks. According to Tom, Stevens and Associates engineer, Brud Sanderson will be submitting addendums to the specs on the project. The motion Tom offers is to include those addendums.

On a motion from Tom and a second from Bill, the board moved to put the addended construction bids for the Dummerston Wing Wall project back out to bid.

With no other business to come before the Board, a motion to adjourn was accepted at 5:19pm.
