Steve looked at our budget-
Printing budget is still in tact...
We have money in legal notices... (but DRB may use that)
We may have to see what the SB says before we can know whether we need to have Jeff redo the maps...
We are almost certainly going to need money for another hearing

Modeled on the DRB site-
There will be a description. There will be a list of commissioners. A place for minutes, possibly agendas... We will be able to update the dynamic sections ourselves.

Minutes of Sept 15th were approved as submitted.

Meeting adjourned at 6pm to go to SB meeting....
