Submitted by Bill Holiday, clerk, Dummerston Selectboard
2 May 2013 - 7:51 PM

"enter into a consent judgment allowing the variances to then approve the site plan as presented on 2 May 2013 - to approve the construction of the shed so long as it meets specifications - under 200 sq. ft., and not more than 12' high - and to allow the pool in its location as shown on the site plan and to approve the variance for the construction of the new decks that are adjacent to the north and west sides of the pool."

Approved

Zeke Goodband, Chair

Bill Holiday, Clerk
